Background on Selene

??????????? I am a Death Dealer, sworn to destroy those known as the Lycans. Our war has raged for centuries in secret unseen by human eyes, but all that is about to change.

??????????? Selene, of course, believes she has good reason for her eternal seething, something to do with a family slaughtered by a pack of hirsute brutes. And on that very night, she met and was turned by an Elder, that is, a pureblood vampire named Viktor. Since that night, as long as she can remember, Selene's been on the hunt, determinedly finding and killing off the Lycans, as she puts it, "one by one."

Quote: “The war itself had become more perilous. The weapons had evolved, but our orders remained the same. Hunt them down and kill them off one by one.” **Roleplaying Selene**

??????????? Selene is a super-styling vampire with a centuries-old vendetta against the Lycans, also known as Werewolves. For six centuries she was a loyal soldier of the Vampire Clan.
