Background on The Last One

The Last One's past is unsure to say the least. Even the Watchers are confused if he is the last demon to leave this reality, or the human who he fed off and mixed their blood. He was a human form possessed, infected by the demon's soul and became the first vampire.

Quote: “Free at last, free at last!." **Roleplaying The Last One**

The Last One's past is unsure to say the least.
