Background on the Lazarus Demon

Danielle Brightstar is the granddaughter of the late Chief and Shaman, Black Eagle of the Cheyenne Horse Clan. She was born to his Daughter Peg and her husband William Lonestar of the Eagle Clan. Somehow, she was blessed with mystical powers.

These telekinetic demons have the ability to resurrect themselves. The only way to keep a Lazarus demon from resurrecting is to bury him in hallowed ground, a cemetery.

Quote: “It’s nothing but showy gypsy stuff.” **Roleplaying the Lazarus Demon**

Dani has always been a strong individual. In her first encounter, she had the courage to speak against and defy Quentin Travers in order to proclaim her pride in her Heritage. She was at first untrusting of anyone outside of her tribe, but she learned to make new friends and gained much experience and humility when she was one of the leaders of a Watchers Council commando team. She showed her conviction when she refused to follow Nigel and has proven her worth as a force for the side of the good, going on to help build her own team and to work as an undercover agent after her disassociation with the Watchers. She may have quit the team, but her spirit and dedication never left.
