Note: Numerous worlds have legends of Gargoyles, however whether they are real creatures which once existed, or the myths spring from transformed Force Wielders, is debatable.

Description: A gargoyle was a mythical creature that was shaped like a bat with huge wings. On Mortis, it symbolized the dark side of the Force. The Son could transform himself into a gargoyle at will.

Many planets included statuary gargoyles in their architecture, including Coruscant, Ruusan and Nal Hutta.
