Background on the Sandman

The Sleepstalker was a serial killer who killed six families before he was captured. He is sentence to be executed, but after he has been to the gas chamber he is reborn as a demon made of sand.

Through the use of powerful black magic, he has been turned into the Sandman.

When the Sandman was a child his parents were very strict and puritanical, even sewing his mouth shut so blasphemous words would leave his mouth. When his mother died his father became a brutal drunk and would beat him every night.

Seventeen years after slaughtering all but one member of a family, a vicious serial killer known only as "The Sandman" awaits execution. But first, his jailers allow a minister to visit the killer to give him last rites, unaware that the minister is a voodoo priest and an ally of the condemned prisoner. The priest places a hex on the Sandman so that when he is executed, his soul migrates into a new body made of sand. To sever his ties with his former life and achieve absolute power, the sandman must find and kill a man named Griffin, the sole survivor of the last family murdered by the killer.

Quote: “I hear your screams, I hear all the children's screams.” **Roleplaying on the Sandman**

Terri Flores is very focused on his mission to destroy demons. She can be emotional and if she looses her temper, the world better step aside.
