Background on Santanico Pandemonium

Easily older than either the Master or Dracula Santanico Pandemonium can remember a time when Istanbul was Constantinople and even before when it was Byzantium. She was feared and worshipped by Vampires throughout the world.

Mexico in the early 1900's which begins with the escape of Johnny Madrid, a dangerous local outlaw, from the gallows who then kidnaps his hangman's beautiful daughter, Esmeralda, with a little help from Reece, a female outlaw from the U.S. With the hangman and a local posse on their trail, Johnny meets with his gang who all rob a stagecoach which contains American author Ambrose Bierce along with newlywed couple John and Mary Newlie. As night falls, all parties coincidently seek shelter in an isolated inn/whorehouse which is run by vampires led by the high priestess Quixtla who targets Esmeralda, since Esmeralda is revealed to be the half-human, Half-Vampire princess Santanico Pandemonium, whom the Vampires want as their heir in which all the humans must join forces if they are to survive the night from the vicious blood-suckers.

The Titty Twister, the place is open from dusk till dawn. As the place turns out to be a Vampire hangout. It sells sex to its patrons, and has exotic stripper Santanico Pandemonium do her alluring strip before turning into a Vampire.

Quote: “Let's see if you taste as good as your brother.” **Roleplaying Santanico Pandemonium**

Santanico Pandemonium can be a bit sensitive and emotional, he easily looses his temper, or otherwise lets his emotions rule.
