Background on the Twins

The Beast is the Son of Darkness. He has lived in his dimension for eons worshiped by his demon minions. His father is a disembodied voice that only he can hear and may just be in his imagination.

Quote: “We are getting aggravated, yes we are.” **Roleplaying the Twins**

The Twins are very confident in their powers and punish their servants without a second thought. The Twins are drawn to innocent young girls. Desiring to corrupt them, turn them to evil and make them their concubine. They can tell if the girl has done something that she feels is wrong and guilty about.
