

Exalted / Willow of House Cynis, Night

We are the Solars The Assassins of Unconquered Sun

We channel Essence, the power of the cosmos, through our fingertips, our fists, our feet. Our blades are cast of orichalcum, set with Hearthstones and never dull. We are the Children of the Unconquered Sun.

The Solar Exalted are the most powerful of the Exalted and during the First Age they were the rulers of the world and the leaders of the Exalted.

Night Caste Solars are the spies, scouts and assassins of the Solar Exalted. In the days of the Old Realm, they managed the security apparatus of the Realm. Their seats on the Solar Deliberative empowered them to safeguard the security of the Realm and the health, welfare and contentment of those the Realm governed.

Gem of Incomparable Wellness

Gem of Adamant Skin **Willow's Past**

Willow carries the features of both her parents in about equal measure. She has his mother's red

straight hair, but her father's hazel eyes. Her skin color is somewhere in between, somewhat lighter than her well-tanned father, but marginally darker than her mother's pale coloring. She is not excessively short or tall being about five foot eight inches.

She has ten brothers and sisters including a twin brother. These are the ones that she knows of, her father is a well known philanderer and womanizer. His many affairs are difficult to keep quiet, as well as the children caused by such liaisons.

The Dynasty knows her to have been kidnapped by the Anathema. A lie that her family embraces even until now. Even during birth, Willow was dubbed a bringer of misfortune. Her family hoped for an Exaltation, but hers was not the type they expected. Having to flee from them and it was only in Nexus that she learned why there was so much hatred towards her in her family.
