

Exalted / Final Frost, Principal Apprent

We are the Solars The Assassins of Unconquered Sun

We channel Essence, the power of the cosmos, through our fingertips, our fists, our feet. Our blades are cast of orichalcum, set with Hearthstones and never dull. We are the Children of the Unconquered Sun.

The Solar Exalted are the most powerful of the Exalted and during the First Age they were the rulers of the world and the leaders of the Exalted.

Night Caste Solars are the spies, scouts and assassins of the Solar Exalted. In the days of the Old Realm, they managed the security apparatus of the Realm. Their seats on the Solar Deliberative empowered them to safeguard the security of the Realm and the health, welfare and contentment of those the Realm governed.

Stone of Quick Thought **Final Frost's Past**

Final Frost carries the features of both her parents in about equal measure. He has his mother's dark straight hair, but his father's deep hazel eyes. His skin color is somewhere in between, somewhat lighter than His well-tanned father, but very like his

mother's pale coloring. He is slightly shorter than average being about five foot six inches.

He works as an assassin and problem-solver for his lord in the east. He knows that he is Anathema, but has decided that having a few Solars working for him could be very advantageous.
