

Exalted / Rufio, Fae-Blooded, the Flesh

**We are the Fae-Blooded,
the Fleshdreamt
Servants of the
Fair Folk**

We channel Essence, the power of the cosmos, through our fingertips, our fists, our feet. Our blades are cast of jade, set with Hearthstones and never dull. We are the servants and agents of the Fae Folk.

The least among the Exalted in power, the Dragon-Blooded, alone among the Chosen, can increase their numbers through reproduction. The Dragon-Blooded were the rank and file of the champions of the gods in the war against those who came before the gods. In the late Old Realm, the Dragon-Blooded murdered the Solar Exalted at the behest of the Sidereal Exalted and usurped the rulership of the Realm. The Dragon-Blooded branded the Solar and Lunar Exalted Anathema and made the Immaculate Order the state religion. Today, almost no Dragon-Blooded know of these events, instead believing the stories of the Immaculate Order.

Gem of Incomparable Wellness

Gem of Adamant Skin **Rufio's Past**

Rufio carries the features of both his parents in about equal measure. He has his mother's dark straight hair, but his father's brown eyes. His skin color is somewhere in between, slightly lighter than his very dark father, but darker than his mother's mocha coloring. His skin has already started to harden, darken and has begun to take on a smooth marble like texture. He is relatively short and stocky, which is fairly typical for an Earth Aspect Dragon-Blooded.

Rufio is one of many children of Silver and his father. This caused great joy with her wealthy family. Because of this and the fact that he seemed to have a good deal of wealth to support his new family, he was popular with Silver's family and having an exceptional bloodline increased his standing with her family.

Silver was the daughter of an eminent and very wealthy merchant family from Blessed Isle.

As a child in a very wealthy family (his mother and father's families combined their fortunes) Rufio was well educated with many lessons, which he usually lacked any focus on.

Rufio's father trained him until he became a very powerful fighter, even going to the expense of paying for tutors and trainers in the martial arts.

Rufio has discovered that he is to inherit a large amount of wealth from his parents and their families. To receive this award he must serve as an Immaculate Order Initiate for a year. The reason behind this is to make him more disciplined and ready to rule a house.

Even though he could wield a sword skillfully, it was easier for him to fight without weapons or using martial arts. He was also interested in seeing new things and the land in general to focus on weapons alone.

It has been noticed that the blood of the Elemental Dragons flows strongly in his veins. It is patently obvious he is directly related to the Empress. He is clearly an aspect of Earth and more than a mere mortal.

In his father's mansion are a vast collection of weapons and artifacts each priceless treasures. Among these treasures are

And so he was sent of to the Order of the Immaculate Dragons' Cloister of Wisdom.
