Description: JBLX-24 was a blue and white plated humanoid labor droid that was repurposed[to work in the criminal Pyke Syndicate's spice mines on the planet Kessel during the reign of the Galactic Empire. In 10 BBY, JBLX-24 was carrying a case of kesselstone on its back through the mines when it was freed from slavery after its restraining bolt was removed during a slave revolt in the mines started by the droid L3-37.
