Cover: 1/2
Altitude Range: Ground level-1m
Cost: 1,900 (used)
Maneuverability: 1D
Move: 100; 280kmh
Body Strength: 2D+2
Weapons:

Description: The RGC-18 landspeeder was a model of landspeeder manufactured by SoroSuub Corporation. Larger than typical landspeeder models, crime lord Cikatro Vizago and his thug droids made use of these, using their size and speed to make quick getaways and to transport heavy cargo. Ryder Azadi flew a modified RGC-18 to escape from the Imperial Armory Complex on Lothal during attempts to infiltrate the factory.
