Races D6 / Homie Sapient (Near Human)

Homie Sapient

Homie Sapiens are a strange all male race of near humans. They are characterized by the baggy pants tied with a belt several inches below the waist, with boxer shorts hanging out, the cheap jewelry, and smoking paraphernalia. They drive flashy vehicles that look good but really aren't and smell like the various drugs they smoke. Homie Sapients are an all male species and mate with other humanoid females, sons of such a coupling become Homie Sapients while females become whatever the mother was.
