Description: The SE-14C was a blaster pistol produced by BlasTech Industries during the reign of the Galactic Empire. It was an upgraded model of the basic BlasTech SE-14 blaster pistol.

The SE-14C featured top-mounted optical and infrared targeting scopes, and a barrel containing both a power pack and a recharge valve. The SE-14C could also be used as an automatic weapon, and featured a rapid-fire auto trigger.

Doctor Cornelius Evazan used this pistol when he threatened Luke Skywalker and Obi-Wan Kenobi in Chalmun's Spaceport Cantina. BoShek and Ponda Baba were also known to use the SE-14C.
