Description: A sentient species of humanoids stood over 4 meters tall and had shaggy blue-black fur. They had black skin with black, gleaming eyes and flat noses. Their mouths featured sharp canine teeth. The species had two sexes, male and female. By 0 ABY, the species had been reduced to a single member, a female who guarded a temple on a planet in the Red Nebula. When the smugglers Han Solo and Chewbacca came to the temple to steal the Great Life Jewels she was sworn to protect, she mistook the Wookiee Chewbacca for a cub of her species.
