Description: Pordimer, who usually went by Pordy, was a thin, brown-haired Ugnaught that lived in

the artificial city known as Ugnorgrad, one kilometer below Cloud City on the planet Bespin. Pordy was employed as a cameraman working for Ars Fivvle on the news media program known as Action Tidings.

Three years after the Battle of Yavin, Pordy was present when Lando Calrissian returned to Bespin to destabilize the Imperial presence in Cloud City. Pordy and the rest of the Action Tidings news crew went to Cloud City and witnessed Luke Skywalker, Shira Brie, Lando and Lobot take control of the city away from Captain Hugo Treece.
