Description: Gorgs, also known as chubas, were a species of amphibian which were eaten alive by members of the Hutt species. They were available for seven wupiupi in the markets of Mos Espa on the planet Tatooine, During the Naboo Crisis, the Gungan Jar Jar Binks attempted to use his long tongue to grab one from a stall for free. The Hutt crime lord Jabba Desilijic often ate gorgs, swallowing one live at the Boonta Eve Classic podrace and thirty-six years later in his palace.
