Creatures D6 / Chiaki

Name: Chiaki
Skin color: Yellow
Distinctions: Serpentine
Homeworld: Iskalon

Dexterity: 3D
Perception: 2D
Strength: 4D

Special Abilities

Bite: Str+2D Damage.

Large Size: Chiaki are large creatures, so are easy to hit, but do extra damage, so are counted as Speeder Scale.

Aquatic: Chiaki are aquatic creatures, swimming at great speed and surviving completely submerged.

Move: 22 (Swimming)

Description: The Chiaki was a large snake-like predator native to the oceans of Iskalon. While their diet consisted primarily of other aquatic creatures, the chiaki were not at all opposed to capturing the unwary Iskalonian for their next meal. Like sharks, this beast hunted by scenting blood in the water.
