Equipment D6 / Glareshades

Model: Glareshades
Scale: Character
Cost: 60
Availability: 2
Game Notes: Gives a bonus of +2D to resist being dazzled or blinded by bright lights.

Description: Glareshades, also known as sunglasses, dark visors, or sunshades were a piece of eyewear used either to protect one's eyes from direct exposure to sunlight or just as a nod to fashion. Wing Commander Diblen Harleys of the New Republic was known to wear glareshades as an informal part of his uniform.
