FORCE POINTS: 1
DARK SIDE POINTS: 0
CHARACTER POINTS: 4

Description: Trif was a former Imperial who defected and joined the Alliance of Free Planets.
Trif served as both a starfighter pilot and a soldier during the Nagai–Tof War. During that conflict, shortly after the Battle of Endor, he joined a fleet that gathered at the planet Godo. Later, he was part of a small team sent to infiltrate the Tof base on Saijo during the last battle of the war.
