Description: Captain Ortugg was the leader of the nine Gamorrean guards at Jabba's Palace.

He was known as the "axe-wielder" and worked well with Rogua, a fellow Gamorrean. Ortugg was uncompromisingly loyal to Jabba, as long as he was given food to eat. He was instructed to spy on Jabba's accountant Tessek, due to Jabba's growing suspicions about him. During one night he interrupted Dannik Jerriko when he tried to feed on the soup of Yarna d'al' Gargan. He and Rogua were present when R2-D2 and C-3PO entered the palace, and the pair were later Force choked by Luke Skywalker when they attempted to block his entrance. He also was one of the guards who laughed at Jubnuk as he lay helpless in the eyes of the rancor. He was killed when Jabba's sail barge, the Khetanna, blew up. Venorra was member of the same Gamorrean clan than Ortugg.
