Races D6 / Raszul

Raszul

The Raszul are a humanoid race form outside the galaxy propper. They have skin that is darkg rey in colour and shock white hair, and all black eyes like those of an animal. Aside from these charachetristics they look basicly human. what are now considered the Raszul are actually otucasts from the rest of the race. They had secretly iniated a breeding plan within their society, of the ehalthiest memebrs and the most long lived. This went on for several centuries until it was discovered. By then inbreeding had bene acheived with weeding out of defective strains, closing off this sect. They were totaly independant of the rest of the race, because they were hardier, lived longer, and did not have to nor would they rbeed with the rest of their race. This resulted in mob violence and persecution of them. an elaborate plan was formed and the hundred thousand Raszul stole a giagntic spaceship in orbit of their planet, that ahd jsut finished construction. the ship was meant to find new planets and colonize them, and easily fit all hudnred thousand Raszul. They managed a daring escape in the craft with the use of it's top of the line drive systems. In the height of irony, the homeworld of Jeka XI was attacked by the Ssi-Ruuk three days later leaving the Raszul onboard the Frontier Horizons as the only survivors of the race. They wander asorund the galaxy on the giant spaceship, looking for a world identical to their homeworld, so they might start over.

Homeworld: Jeka XI
Attrubute Dice: 12D
DEXTERITY 1D/3D
KNOWLEDGE 2D/5D
MECHANICAL 2D+1/4D+2
PERCEPTION 1D/3D
STRENGTH 1D+1/3D
TECHNICAL 2D+1/4D+2

Special Abilities:
Mathematical Aptitude: Raszul receive a bonus +2D when using skills involving mathematics, including astrogation. They can automatically solve most "simple" equations (gamemaster option).

Immune Systems: Raszul have strong and highly developed immune systems. They are immune to virtualy all disease and viral posions.

Story Factors:
Longevity: Raszul live much longer than most humanoid species in the

galaxy. Thy live, on average, to be about 600 years old, thoguh there are some cases of elders as old as 1200.

Nomads: All the surviving Raszul are onboard the giant ship Frontier Horizons, and have no permanant hoemworld. They are constantly searching for somewhere like their old world, that they can start over on.

Move: 10/12
Size: 1.7-2 meters tall
