Description: Riot Mar was a human male bounty hunter affiliated with the Bounty Hunters' Guild. Around 9 ABY, he attempted to capture the bounty known as the Child by pursuing the Mandalorian, a bounty hunter who had betrayed the Guild. Mar managed to track down the Mandalorian in space and attacked his gunship, the Razor Crest; however, the Mandalorian killed him, destroying his starship during the battle.

Riot Mar was a human male who worked as a bounty hunter affiliated with the Bounty Hunters' Guild. Following a fight on Nevarro in 9 ABY in which the bounty hunter known as the Mandalorian had betrayed the Guild and fled with the bounty known as the Child, Mar attempted to recapture the Child from the Mandalorian.

Piloting his own starship, Mar engaged the Mandalorian's gunship, the Razor Crest, in space, managing to position himself behind the traitor and fire upon him, damaging one of the Razor Crest's engines. Mar continued firing while spinning his vessel as he pursued his target. The Mandalorian then span the Razor Crest, but was unable to shake Mar; however, he then quickly slowed the gunship. Mar narrowly avoided crashing into the Razor Crest, catching a wing on one of its engines, but was killed as the Mandalorian opened fire on his vessel and destroyed it.

Personality and traits

Riot Mar had fair skin, gray hair and gray eyes. When demanding that the Mandalorian hand over the Child, he suggested he might even spare the Mandalorian if he complied.

Equipment

Mar wore a yellow flight suit with a white helmet and a black breath mask decorated with a pattern of white teeth. He flew a fairly flat vessel with a central cockpit and two wings, with an engine in the center of each wing.
