Description: Mayfeld was a human male mercenary. A former sharpshooter for the Galactic Empire, Mayfeld eventually exited Imperial service. During the time of the New Republic, Mayfeld led a team recruited by Ranzar Malk to rescue the prisoner Qin from a New Republic prison ship. Malk, Mayfeld, and the team intended to betray the bounty hunter known as the Mandalorian, who had also been hired, but the Mandalorian managed to defeat the team of mercenaries and trap them in a cell on the transport.

*Equipment*

Mayfeld carried a trio of blaster pistols, wielding one in each of his two hands and a third in a droid arm attached to his backpack. This third arm seemed to respond to his mental commands, allowing him to fire all three weapons at once.
