Description: Burg was a Devaronian male mercenary. During the time of the New Republic, Burg acted as the muscle on a team recruited by Ranzar Malk to rescue the prisoner Qin from a New Republic prison transport. The team attempted to betray the bounty hunter known as the Mandalorian, who had been recruited for the use of his gunship, Razor Crest. However, the Mandalorian managed to escape and took down the team of mercenaries, imprisoning them in a

cell aboard the transport.
