Description: Galek was a human female who served as a lieutenant and flight instructor in the First Order during their war against the Resistance. During her service aboard Commander Pyre and Agent Tierny's Star Destroyer, Galek trained a batch of cadets, which included DT-533, DT-798, and Lin Gaava, among others.

Galek was equipped with the standard First Order TIE Fighter Pilot uniform, albeit with a black military rank pauldron. Both her armor and her pauldron were decorated with red livery to denote her status.

Galek was killed by Venisa Doza during the blockade of Dantooine.
