Description: CT-5597, nicknamed "Jesse," was a clone trooper who served in the Grand Army of the Republic's 501st Legion during the Clone Wars. Jesse had a sense of humor and, by the time of the Separatist invasion of Anaxes, was promoted to the status of ARC trooper.

Personality and traits
Among his fellow clone troopers, Jesse was well known to have a sense of humor, and Fives referenced it prior to their planned execution, believing that Jesse had simply made another joke.

Equipment
Earlier in the war Jesse wore phase I clone trooper armor with custom blue markings representing the 501st Legion. Later when the clone army moved to phase II clone trooper armor, Jesse's had blue markings as well similar to his phase I appearance. Jesse's helmet had the cog-shaped symbol of the Galactic Republic on it to match his tattoo, which was the same symbol. During the battle of Anaxes, Jesse wore standard ARC trooper armor. Jesse used a DC-15A blaster carbine
