Description: Snow White was born into the royal family of Mandalore. Her mother died shortly after her birth. After some time, Snow White's father remarried a vain and cold-hearted queen. Not long after their marriage, the King, Snow White's beloved father, suspiciously died, leaving the young princess as an orphan.

As a young child, Snow White's vain and wicked stepmother the Evil Queen feared that one day Snow White's beauty would surpass her own. So, she dressed Snow White in rags and forced her to work as a scullery maid to try to quench her growing beauty. Each day, the Queen consulted her magic Sith scrying mirror asking, "Magic Mirror on the wall, who is the fairest one of all?" As long as the Mirror answered, "You are the fairest one of all," Snow White was safe from her stepmother's cruel jealousy. Snow White may have been a maid but she never complained when she worked and whenever she was sad she would always hum a tune to cheer herself up and her animal friends would visit. The people of the kingdom felt sorry for their princess when the Evil Queen made her a servant, but they could not rebel due to the Queen's power.

Finally the mirror one day announced that Snow White was the fairest of them all, and the Queen ordered one of her followers to take the young princess out of the city and kill her, however he found he couldn't kill the beautiful young princess, and she fled. In the wilderness outside the city she encountered some Ugnaught Miners, who she befriended, and using the Beskar Steel they mined she manufactured her own Mandalorian Armour and went into bounty hunting to refine her skills to ultimately seek revenge upon the Evil Queen and regain her birthright.
