Description: Almec was a male human from the planet Mandalore, and a one-time believer in the pacifist ways of Duchess Satine Kryze. During the Clone Wars, Almec served as the Prime Minister of Mandalore and did as he thought best to watch over and represent the interests of Mandalore. His dedication became his undoing, however; when Mandalore declared neutrality in the Clone Wars and became cut off from Galactic Republic aid, Almec established a black market trade network to bring much-needed goods to the Mandalorian people. These smugglers poisoned the people of Sundari with toxic tea, putting numerous children in hospital. Almec was exposed as the leader of the black market network and summarily imprisoned for his crimes.

When Darth Maul took over Mandalore, he broke Almec out of prison and reinstated him as Prime Minister, with Almec declaring loyalty to Maul and his Death Watch allies. Following Maul's capture and imprisonment by Darth Sidious, Almec saw to it that Maul was rescued and brought back to the Death Watch. Later, during the closing days of the Clone Wars, Almec participated in the Siege of Mandalore, a joint effort between the Republic and Bo-Katan Kryze's Mandalore resistance to defeat Maul and retake Mandalore. A far cry from his old pacifist ways, Almec had Gar Saxon prepare their forces for an all-out attack and, wearing a suit of Mandalorian armor, fought Katan in Sundari Royal Palace.

Personality and traits

Almec was a large man, standing at a height of 1.89 meters, and possessed both blond hair and fair skin, in addition to violet-colored eyes. Almec was initially a firm believer in the peaceful ways of the New Mandalorians, displaying this by dismissing the supposed Mandalorian Jango Fett as nothing but a common bounty hunter, when questioned by Jedi Master Obi-Wan Kenobi. While he held a high-ranking office in the Mandalorian government, he considered himself a servant of the people. That did not change the fact that he was a shrewd politician, able to correctly deduce the Death Watch's plans to rally favor for their cause by instigating a Republic invasion in order to appear as liberators to the Mandalorian populace. Almec was a friend of the New Mandalorians' leader, Duchess Satine Kryze, and placed a great deal of faith in her leadership abilities, until he was arrested for black market activities.

When the Mandalorian people were threatened with starvation after the Republic shut down trade routes to Mandalore in the face of the planet's declared neutrality, Almec took it upon himself to find a solution to the problem plaguing his people. To that end, he established an illegal black market trade network to smuggle the needed goods from the galaxy into Sundari, but, in doing so, opened himself up to the risk of greed and corruption. In trying to help his people, Almec instead made it possible for Moogan smugglers to poison innocent children throughout Sundari with toxin-laced tea. He attempted to cover it up, going so far as to turn on the Duchess. He betrayed his pacifistic beliefs by torturing Kryze and threatening to do the same to her young nephew, Korkie.

By the ending days of the Clone Wars, Almec had long lost his pacifist ways. Now the puppet ruler of Mandalore, Almec served Maul, even though the rogue Sith's influence was destroying the people of Mandalore, and helped direct the Mandalorian super commandos during the joint Republic-Mandalore resistance siege of the world. Almec even wore a suit of Mandalorian armor and fought Bo-Katan Kryze in hand-to-hand combat. When Kryze tried to contact Ahsoka Tano to

warn her about the trap she was walking into, Almec smiled.
