Description: Twazzi was a Frenk female bounty hunter who lived during the Clone Wars. Many years earlier, Twazzi's acrobatic skills earned praise from Finis Valorum, then-Supreme Chancellor of the Galactic Republic. During the Clone Wars, Twazzi and a number of other bounty hunters were recruited by Count Dooku, a Sith Lord and the political leader of the Confederacy of Independent Systems, as candidates to assassinate Supreme Chancellor Sheev Palpatine. After being put through a series of tests within the Box, Twazzi became part of the attempted assassination, which was foiled by the Jedi Order.
