Description: Ved Kennede served as a Royal Guard to Emperor Palpatine. Palpatine considered him one of his most loyal followers and gave him the position of Master Instructor at the Royal Imperial Guard facility on Yinchorr.

Ved trained Kir Kanos and Carnor Jax amongst other candidates, and was one of the last Guardsmen killed by Jax's stormtroopers on Yinchorr following the death of Emperor Palpatine's last clone. However, his son Tav remained loyal to Kanos, after the former Royal Guard brought news of his father's death. Kennede's son was, by that time, aiding the New Republic, having seen that the Empire his father loved was no longer in existence.
