Creatures D6 / Scritter

Name: Scritter
Classification: Beetle
Eye color: Yellow
Homeworld: Pillio

Dexterity: 2D+2
Perception: 2D
Strength: 1D+2

Special Abilities

Swarm Tactics: Scritters tend to attack en mass, so although easily taken down individually, groups of 5-15 may attack a target using co-ordination to increase their chance of successfully hitting and damaging a target.

Bite: Scritters use their mandibles to deliver a painful bite which does Str+2D damage when used in combat.

Move: 14
Size: 0.5m long

Description: Scritters were a type of beetle that lived within nests in the coral canyons of the planet Pillio. During a mission he undertook on Pillio, Luke Skywalker killed many scritters with his lightsaber, resulting in them exploding orange fluids out.
