Description: Ralsius Paldora was an human male who served as a Specialist in the Galactic Empire before defecting.

Biography
After defecting, Paldora made his way to the planet Takodana where he would, in exchange of safe passage off the planet and asylum, provided information to Han Solo in the form of data cubes, one for the New Republic that contained Imperial shipping routes, refueling locations, and hidden armaments, and another which contained what Solo needed to be able to get onto the planet Kashyyyk during his attempts to liberate the Wookiee homeworld.

According to Paldora, most of the information came from an Imperial officer called Rax. Following a brief skirmish with Imperial forces, the smuggler was able to successfully get Paldora offworld.

Personality and traits
Paldora was a human male who prefered Merenzane Gold.
