Special Abilities:

Four Arms: Latero have four arms, which make all tasks using their arms and hands easier, so they gain +1D to all Dexterity Skills, Climbing, Vehicle Piloting, etc. However, they are not natural fighters, and this bonus does not add to combat skills, such as Brawling, Blasters, Dodge, Melee Weapons, etc.

Story Factors:

Self Interested: Latero have a reputation for being self interested and often acting to the detriment of their companions, only seeking to avoid any disadvantage or detriment to themselves, this can vary from Greez Ditrus's betrayal of Cal Kestis, to simply eating when peckish when someone else is starving. They will be aware that they acted thoughtlessly later, but at the time will just automatically act that way.

Move: 8/10

Description: Latero, also known as Lateron, were a sentient species from the planet Lateron that possessed four arms. Greez Dritus, the captain of the S-161 "Stinger" XL Stinger Mantis, was a Latero. The company Latero Spaceworks, creator of the S-161 "Stinger" XL, shared its name with the species. Marino Pomana was also a member of this species who worked as a chef on the planet Begamore.
