Weapons D6 / Avar Kriss lightsaber

Name:. Avar Kriss' Lightsaber
Type: Melee Weapon
Scale: Character
Skill: Lightsaber; Crossguard Lightsaber
Cost: Unavailable for sale
Availability: 4, X
Difficulty: Difficult *
Damage: 5D

*: Avar Kriss' lightsaber is similar to the Crossguard Lightsaber, making it easier to parry attacks by +2, however since the crossguard isn't made of dangerous energy, it actually isn't more difficult to use than a normal lightsaber.

Description: During the High Republic Era, the Jedi Master Avar Kriss utilized a green-bladed crossguard lightsaber. The weapon's hilt was sheathed in silver-white electrum, with a spiralling grip of incised green seastone, and had a physical crossguard at one end.
