Description: Lah Kara was a Force-sensitive human female who was the daughter of the legendary sabersmith Lah Zhima. When Margrave Juro attempted to revive the long-gone Jedi Order, Kara was tasked with delivering several of her father's weapons when agents of the Sith came to take them. After fleeing from one of them on her speeder, she eventually destroyed her pursuer. She then hired a droid pilot to fly her to the other Jedi who were awaiting their weapons at the Aerial Temple. However, all of them, save Ethan, turned out to be Sith when Juro revealed himself. Kara then drew her lightsaber alongside Juro as well as Ethan and defeated them. She was then asked to join Juro as the "Ninth Jedi" to rebuild the Jedi Order.
