Description: Homen was a male Jedi who lived without a Jedi Master in a time long after the fall of the Jedi Order. The Jedi was one of several masterless Jedi summoned to the Aerial Temple of Hy Izlan by the planet's ruler, Margrave Juro, who hoped to provide the Jedi with lightsabers and restore the Order. However, a number of Sith acolytes learned of Juro's plans, killing several of the Jedi and being sent in their place. Homen was initially consumed by the darkness of the others, and, when they revealed themselves to the Jedi Ethan and Kara, the Force-sensitive daughter of Juro's sabersmith Lah Zhima, fought alongside the Sith. After Juro defeated the Sith with Kara and Ethan's help, Homen ceased fighting, apologizing to the margrave. The four departed the Aerial Temple in Juro's starship, setting out to find other Jedi and rebuild the Order.
