Equipment D6 / Side glasses

Model: Side glasses
Type: Vision Enhancement
Cost: 1500 credits
Availability: 2

Game Rules: Allows data to be viewed like a Datapad, but also can be set to allow Infrared vision to see through smoke or in darkness (+1D to search to counteract penalties in these situations)

Description: Side glasses were single-eye covering visors that could be activated at the push of a button. Lop was known to wear a pink one. Lop's side glasses could show her her surroundings in the infrared spectrum or pull up information for her to view.
