Description: Orr'UrRuuR'R was a Tusken Raider male who lived on the desert planet Tatooine in the Outer Rim. In the year 32 BBY, he and several other Tuskens took up position on top of the Canyon Dune Turn portion of the Boonta Eve Classic podracing course and fired on the podracers passing by.

Biography
Orr'UrRuuR'R was a Tusken Raider male who lived as part of a tribe that roamed the Jundland Wastes of his homeworld of Tatooine in the Outer Rim. In the year 32 BBY, Orr'UrRuuR'R was among a group of at least four Tuskens who fired from a cliff top at the podracers competing in the

Boonta Eve Classic race as the competitors passed through the Canyon Dune Turn portion of the course. During the first lap of the course, Orr'UrRuuR'R and the other Tusken Raiders huddled together to communicate before spreading out to fire on the podracers.

The Troig commentators Fodesinbeed Annodue mentioned the Tuskens in their commentary of the race. Despite not taking out any of the vehicles, the Tuskens then cheered while raising their rifles above their heads. When the podracers returned to the Canyon Dune Turn during the second lap, the racer Teemto Pagalies' vehicle was hit by a shot from one of the Tuskens and subsequently crashed.

Personality and traits
Orr'UrRuuR'R found his nomadic lifestyle among the Jundland Wastes' inhospitable desert terrain somewhat dull but enjoyed taking pot shots at podracers whenever he got the chance.

Equipment
Orr'UrRuuR'R wore a brown robe and head wrap that completely covered his body. His outfit also included gloves, a bandolier, and a belt of pouches. The Tusken Raider used a cycler rifle to fire on the podracers.
