Description: Seek was a red-headed human boy from the planet Tatooine who was born around 42 BBY. When Seek was ten, in 32 BBY, he and a group of other children visited his friend Anakin Skywalker in a courtyard of Slave Quarters Row in Mos Espa spaceport. Skywalker was working on his podracer and revealed that he was going to participate in the Boonta Eve Classic podrace taking place the next day, causing the children Kitster Banai, Wald, Amee, and Melee to express doubts about his chances.

Unimpressed by Skywalker's mechanical talents, Seek was so indifferent that he suggested that the group go and play a ball game. He then cruelly predicted that Skywalker would crash during the

race before he and all of the group bar Banai left while giggling. Skywalker instead won the race and subsequently left Tatooine. Seek had light, freckled skin and dark eyes. He wore brown and gray robes with a black scarf and brown belt.
