Description: Dar Wac was a male Rodian aide who served Chancellor Palpatine as Executive Administrator in the Office of the Supreme Chancellor.

Biography
During the Separatist Crisis, Dar Wac served as liaison between the Jedi and Chancellor Palpatine. He worked at a desk in the lobby that led to the Chancellor's Executive Office. Just before the outbreak of the Clone Wars Dar Wac was seen in a hologram when he announced the arrival of the Loyalist Committee.

Following the Battle of Duro, SBI investigated whether he was involved in the scheming of Senators Ronet Coorr and Onaconda Farr, although nothing was found.
