Description: Fame Drimal was a male green-skinned Neimoidian lieutenant in the Neimoidian Gunnery Battalion, who served the Confederacy of Independent Systems during the Clone Wars against the Galactic Republic. Originally stationed near Plagen, a Separatist world in the Expansion Region, Drimal was reassigned to guard the Separatist Council on the planet Mustafar in 19 BBY. Wearing Neimoidian guard armor and armed with a Neimoidian ceremonial blaster rifle, he was posted to the right side of the door within the interior of the Separatists' leadership bunker when Darth Vader, the apprentice of the Sith Lord and CIS ally Darth Sidious, arrived. However, Sidious betrayed the Council and Vader killed Drimal and all other individuals present.
