Description: The Kintan Strider speed bikers are named after a deadly beast from the Nikto home world. These burly, obnoxious gangsters are known for their brusque nature, and they are not

above shaking down residents in small towns for credits.

The Kintan Striders Gang[4] was a Nikto gang active in the Dune Sea on Tatooine during the early New Republic Era.[1] The gang shared its name with the Nikto homeworld of Kintan,[5] and were named after the creature Kintan strider[4] commonly used as a dejarik piece.[6] The gang members were burly and obnoxious gangsters, and were known for their brusque nature.[4]

The gang's logo was a stylized letter "K" in the Outer Rim Basic writing system.[7] After Boba Fett's Tusken tribe was massacred, with the Striders' logo found as graffiti on the ruins,[7] he attacked a group of Kintan Striders and destroyed them,[8] despite the Striders' having been framed by the Pyke Syndicate.[9]
