Biography
Moteé of Naboo was a human female who served as part of the Naboo Royal Handmaidens at the time of the Clone Wars.

During the conflict, she accompanied Senator Padmé Amidala and fellow Handmaiden Dormé on a diplomatic mission to the planet Clabron. Upon their arrival, they were ambushed by an assassin, with Moteé hit in the shoulder. They escaped inside the building, where Amidala was able to work out an agreement with the new minister. They then counter-ambushed the sniper, capturing her so they could return to Coruscant.

She attended the Senate meeting in which Supreme Chancellor Sheev Palpatine announced that the Galactic Republic was to be reorganized as the Galactic Empire. Moteé had brown hair, brown eyes, and fair skin. She was discreet, able to keep the secret of the relationship between Amidala and the Jedi Anakin Skywalker.

Equipment
