By some point surrounding his planet's destruction by the Galactic Empire's DS-1 Orbital Battle Station in 0 BBY, Torg joined the Rebel Alliance, and retained his ceremonial dress uniform during his service. That year, the Alliance managed to destroy the DS-1 Orbital Battle Station in the Yavin system. Torg was selected to serve as a Rebel Honor Guard sentry for the ceremony held to honor the Heroes of Yavin at the Alliance's headquarters on the moon Yavin 4.

Biography

The Human male Galen Torg hailed from the planet Alderaan during the Galactic Civil War, a conflict between the Rebel Alliance and the Galactic Empire. At some point by 0 BBY, Torg served as a military officer on Alderaan. That year, the Empire used their DS-1 Orbital Battle Station superweapon—code named the Death Star—to destroy Torg's homeworld. Torg was among the surviving Alderaanians, and also retained his ceremonial dress uniform. By then, he had also joined the Alliance, and continued to use his uniform in the Alliance.

In 0 BBY, the Battle of Yavin occurred, during which the Alliance's starfighters destroyed the Death Star in the Yavin system. Following the battle, a ceremony was held in the Grand Audience Chamber of the Great Temple, the Alliance's headquarters on the moon of Yavin 4. Torg was among the soldiers selected to serve as Rebel Honor Guard sentries for the occasion. Torg stood in front of the Chamber's entrance during the ceremony, which honored the Heroes of Yavin: pilots Luke Skywalker, Han Solo, and Chewbacca.

Personality and traits

Galen Torg was loyal to the Rebellion, and typical of the Alliance's hard-working, unsung heroes. As a survivor of Alderaan, and as a reward for his dedication and courage, he was selected to serve as part of the honor guard at the award ceremony as thanks for the Heroes of Yavin's destruction of the Death Star. Torg stood at a height of 1.8 meters and had fair skin.

Equipment

Torg wielded an electropole, along with a blaster pistol and grenades. He also owned a comlink and a pair of macrobinoculars.
