Description: TK-9091 was the designation of a human male Stormtrooper Commander who served in Darth Vader's personal stormtrooper legion, Vader's Fist. During the secret mission to Tatooine, TK-9091 and several other troopers were sent to search for Princess Leia Organa aboard the Tantive IV. Whilst searching the escape pod bay, TK-9091 spotted her hiding in an alcove and ordered his troopers to set their weapons to the stun setting. The princess then shot him with her Defender sporting blaster, killing him instantly.
