Force Points:2
Dark Side Points: 0
Character Points: 4

Description: Teeka was a Jawa individual who resided on the planet Tatooine and was part of a Jawa tribe in 9 BBY. They searched for a T-16 skyhopper toy and delivered it to Obi-Wan Kenobi, a Jedi Master, who gave Teeka seventy-five credits. Teeka, who had stolen Kenobi's moisture vaporator processor board, offered it to Kenobi, who bought it stating that if Teeka stole his parts, that he should at least clean them, and rejected a Jedi belt the Jawa had retrieved from a starship.
