Description: Razell Tameron was a male Human from the planet Bespin who served as a member of the Bespin Wing Guard during the Galactic Civil War. He worked as warden of the Wing Guards' base of operations in Cloud City, the Cloud City Security Tower. After the Galactic Empire arrived on Bespin seeking to capture a group of Rebels headed for the planet, Tameron was amongst the Wing Guard who helped the Rebels escape Imperial clutches after they had been captured.

***Biography***
Born on the planet Bespin, the male Human Razell Tameron came to serve with the Bespin Wing

Guard by the time of the Galactic Civil War between the Galactic Empire and the Alliance to Restore the Republic. During the war he held the role of Warden of the Cloud City Security Tower, the Wing Guards' base of operations and detention center on Bespin. In 3 ABY, Imperial forces lead by the Sith Lord Darth Vader arrived on Cloud City, where they made a deal with the Baron Administrator Lando Calrissian that the city could remain free and neutral if it aided the Empire in capturing a group of Rebels who were headed for Bespin. The Rebels were successfully captured after arriving, but after Vader changed the deal he and the Baron Administrator had made, Calrissian changed his mind and turned against the Empire.

Calrissian secretly contacted his Chief administrative aide Lobot, sending him the message "Code Force Seven", which signalled the aide to gather a group of a dozen Wing guardsmen including Tameron, Corman Jeihn, Pedar Solardo, Gir Endac, Bialar Selis, and Helder Spinoza. The guardsmen proceeded to ambush an Imperial unit led by Lieutenant Sheckil, who were traveling with Calrissian and transporting three of the captured Rebels to Vader's personal shuttle. The Imperials were taken captive by the Wing guard and escorted to the Security Tower, while the prisoners, Princess Leia Organa, Chewbacca, and C-3PO, were freed and left with Calrissian to escape. The Rebels and Calrissian managed to successfully escape Cloud City, which was left under Imperial control.

***Personality and traits***

Razell Tameron had dark skin and black hair. He was known for his no-nonsense attitude towards crime in Cloud City and was not involved in the corruption that had grown within the Wing Guards under former Baron Administrator Dominic Raynor.

***Equipment***

While working as a winguard, Tameron wore the blue uniform worn by guardsmen in the organization, and carried a Relby-k23 blaster pistol.
