Description: Doda Bodonawieedo was a male Rodian musician. He played at Chalmun's Spaceport Cantina, but ended up getting fired and replaced with the band Figrin D'an and the Modal Nodes,

protesting as he left the establishment. A few years later he was seen as a member of the Max Rebo Band at Jabba's Palace. This was four years after the Battle of Yavin, where he and the other members of the band played Jedi Rocks for the Hutt, who ordered it played a second time but then dropped his slave Oola into his rancor pit during the repeat performance when she refused his advances. Bodonawieedo and the band stopped playing as Oola was eaten by the rancor, and then witnessed the arrival of Princess Leia Organa disguised as the bounty hunter Boushh with the Wookiee Chewbacca as a prisoner.
