Biography

Elsek was partners with Avarik since graduation from the Corulag academy. He was often forced to cover for his partner's rash decisions, such as bailing Avarik out of fights with drunks in local bars and enlisted clubs. When Avarik was accosted by Han Solo, he signaled Elsek to go for help. As Elsek took off on his 74-Z speeder bike, Chewbacca destroyed it with his bowcaster, and the scout was propelled into the air.
